

Le Paradis is being developed with the collaboration of a talented and experienced team of professionals representing recognized companies dedicated to superior quality and an ultimate level of excellence. Allow us to introduce you to them.

Kierron L. S. Dolby and DCG Properties Limited

Mr. Kierron L. S. Dolby is founder, major shareholder and Managing Director of DCG Properties Limited. The Company was formed in order to develop the proposed multi-phased destination resort at Praslin, St. Lucia.

Mr. Dolby is also founder, owner and President of CHS Building Services Ltd. CHS was formed in 1978 for the purposes of providing Building Engineering Services and has now been successfully operating for 27 years. Under the guidance of Mr. Dolby, CHS grew from a small start-up venture to a mature engineering and construction services firm with a domestic and international resume of experience. CHS specializes in the design and construction services, and operations. CHS has active clients from private industry, public entities and municipalities, defense and military facilities, hotels, and recreational facilities. CHS also provides design/build services to the semiconductor industry, power generation industry, pharmaceutical and specialty food products industries.

Mr. Dolby received his Mechanical Engineering degree in 1969 and is a member of the Chartered Institute of Building Services Engineers. Throughout his career since qualifying, he has held senior management positions in consultancy design and construction companies up to the formation of his own business CHS Building Services, Limited.

Greg Norman Golf Course Design

First established in 1987 in Sydney, Australia, Greg Norman Golf Course Design is today recognized as one of the premier signature golf course design firms. Now headquartered in Jupiter, Florida, with sister facilities and personnel in Sydney, GNGCD has opened 48 courses for play worldwide, with an additional 20 projects in various stages of development. GNGCD also has projects in Mexico, Korea, China, Australia, South America, the UAE, Poland and Spain. Greg Norman has long held an environmentally friendly position throughout the design and construction of his golf courses adhering to a least-disturbance approach that focuses on every opportunity to incorporate unique existing site features into the layout of the golf course.
